Washington, D.C. 20554

Re: Prepaid Calling Card Reporting, First Quarter 2010  
WC Docket No. 05-68

Dear Ms. Dortch,

Attached please find the certified prepaid calling card reports filed by the following FCC carriers:

- Stratos Offshore Services Company
- Stratos Communications, Inc. and Stratos Mobile Networks, Inc.

Any questions concerning these reports should be directed to the undersigned at (301)968-1938.

Respectfully submitted,

Bruce A. Henoch  
Vice President and General Counsel

**Prepaid Calling Card Certification of Compliance By**  
**STRATOS OFFSHORE SERVICES CO.**  
**1st Quarter 2010**

The undersigned, Bruce A. Henoch, Vice President and General Counsel of Stratos Offshore Services Company ("Stratos"), hereby declares and certifies in accordance with the requirements of the Federal Communications Commission, that:

1. For the First Quarter of 2010, Stratos reports that it did not carry or generate revenue from intrastate, interstate, or international prepaid calling card services as defined by the Commission.
2. No prepaid calling card revenues for the First Quarter of 2010 is therefore subject to Universal Service Fund assessment for such period; and
3. Stratos has provided the required information (i.e., prepaid calling card percentages of interstate use factors, and call volumes from which these factors were calculated, based on not less than one day's representative sample) to those carriers from which Stratos purchases originating and terminating transport services for its prepaid calling card traffic.

To my knowledge and belief, the foregoing statements are true.

**Prepaid Calling Card Certification of Compliance By**  
**STRATOS COMMUNICATIONS, INC.,**  
**AND**  
**STRATOS MOBILE NETWORKS, INC.**  
**1st Quarter 2010**

The undersigned, Bruce A. Henoeh, Vice President and General Counsel of Stratos Communications, Inc., and Stratos Mobile Networks Inc. (together, "Stratos"), hereby declares and certifies in accordance with the requirements of the Federal Communications Commission, that:

1. For the First Quarter of 2010, Stratos reports that its prepaid calling card minutes were broken down by the following percentages: 0.7578% international, 0% interstate, 0% intrastate, and 99.2422% originating and terminating outside of the United States.
2. For the First Quarter of 2010, 0.7578% of Stratos' calling card revenue is international, 0% is interstate, and 0% is intrastate. The remainder of Stratos' prepaid calling card revenue is for traffic originating and terminating outside of the United States.
3. Stratos will be making the required Universal Service Fund contribution based on the above-reported information; and
4. Stratos has provided the required information (i.e. prepaid calling card percentages of interstate use factors, and call volumes from which these factors were calculated, based on not less than one day's representative sample) to those carriers from which Stratos purchases originating and terminating transport services for its prepaid calling card traffic.

To my knowledge and belief, the foregoing statements are true.
